

Do You Think?

Some never do.
Some think occasionally.
Some think a little.
Some think a good deal.
Some are made to think when it is too late to do much good.
Some think *Cheap John* pictures are just as good as Craig's. They don't thin so after the first trial. Such experience is expensive. We had more sittings last year from those who had been deceived by *Cheap Johns* than for ten years past. They never have to learn the lesson but once.

HORSE RAN AWAY.

Two Ladies and a Little Girl Have an Exciting Experience.

Monday afternoon Mrs. Charles Merydith, Mrs. Ben Rauch and the latter's little daughter, were the victims of a runaway accident in which they were fortunate enough to escape with their lives. They were riding in a sarry to which was hitched a small pony belonging to Mr. Merydith. Another vehicle, driven by Robert Gates, came upon them rapidly from the rear and the pony took fright and ran away. The survey was overturned and the three occupants were thrown out. Mrs. Merydith was badly cut and bruised about the face, Mrs. Rauch received a badly sprained arm, and the little girl was bruised about the head. None of their injuries are thought to be serious.

FAMILY TROUBLES

Caused This Man to Lay Down His Earthly Burdens.

BUCKHANNON, W. Va., Feb. 14.—Henry Miller, living three miles east of here, was found lying dead near his home Saturday morning about eight o'clock. At first foul play was suspected, but further research seems to indicate suicide. Unhappy domestic relations is assigned as the cause. Miller was about forty-five years of age, and leaves a widow and several grown children by a former marriage.

An Old Folks Party.

Last night was a night of parties in this city; and we'll wager that none were more pleasant or more thoroughly enjoyed than that given by Mr. and Mrs. Charles Blume at their home in the Union Block.

The young folks appeared on the scene in costumes of another day—an earlier one, and made themselves at once agreeable and more or less ridiculous.

A Pleasant Party.

The friends of Miss Sarah R. Warren, who were the fortunate guests at the unique birthday party given by her on Jan. 27th, called upon that lady last night, and gave her a valentine in the shape of a splendid portrait album, containing pictures of quite a number of the guests.

The valentine will, no doubt, be very highly prized.

The McSweeney Hearing.

The preliminary hearing of Morgan McSweeney will be begun at nine o'clock this morning at the Court House, before Mayor Meisenholder. The court room will no doubt be crowded long before that hour by those curious to see the prisoner and hear the testimony.

Lamp Upset.

The fire department was called out Monday evening by a still alarm from the residence of J. R. Nichols on Fourth street. The blaze was caused by a lamp being upset in a bed room and was extinguished with slight damage.

For the Sake of Early Vegetables.

A friend stops in to say that garden making is almost here, and that all neighborly hens should again be kept in close confinement. We think the friend is a little early, but in a few weeks the suggestion will be in order.

O. R. R. Brakeman Hurt.

RAYNSWOOD, Feb. 14.—This morning, while engaged in switching cars in the O. R. R. yard at this place, brakeman Harry Neal, of Parkersburg, had his hand caught between the bumpers and it was badly mashed.

Richardson Inquest.

Coroner Willis has issued subpoenas for witnesses to appear before him on February 17th to give testimony at an inquest to be held on the death of Andrew Richardson, which was chronicled in Monday's Leader.

Seriously Hurt.

Frank Adams, a Mackeburg oil driller, is suffering from serious bruises received by a fall from a derrick. He fell a distance of sixteen feet and is believed to have received internal injuries.

Off the Track.

Engine No. 72, of the B. & G. S. W., is off the track on the incline on the West Side and has been partly submerged by the rising water. At last report the water covered the boiler.

A Valentine Party.

Misses Harriett and Jessie Follett entertained a number of their little friends last night at a valentine party. About twenty children were present.

Her 87th Birthday.

Mrs. Gates, Third street, will celebrate her eighty-seventh birthday today. A number of her friends will honor the day by calling upon her.

Heavy Freight Business.

The C. & M. yard crew was up to Gaywood Monday helping handle the heavy freight business which that road is now enjoying.

Single Taxers

Are invited to put themselves in communication with the undersigned Single Taxer O. P. HYDE, 416 Front St., Marietta, O. Jan. 24 th.

When a young couple runs away to get married half the world says: "How silly!" The other half says: "How romantic!" But you can't tell either way until the "honey-moon" is over. When this young couple get settled down to the regular hum-drum of life, they'll manage all right and find solid happiness in any case, if they have good hearts and sound health. All depends on that.

It's wonderful how much health has to do with married happiness. Sickness affects the temper. You can't be happy nor make others happy if you're ailing. When you find yourself irritable, easily worried, beginning to "run-down" it's because your blood is getting poor. You need richer blood and more of it. Your blood-making organs need to be vitalized by Dr. Pierce's Golden Medical Discovery. It imparts new power to produce an abundance of the healthy, red corpuscles, and gives you a fresh supply of pure, rich blood. It's a blood-creator; it is for everyone whose blood is impure or in a poor, "run-down" condition. It prevents the germs of disease from getting a hold on your system. Even after disease is settled on you, it is driven out by the blood-creating properties of the "Discovery." It is a perfect cure for general and nervous debility, catarrh, malaria, eczema, erysipelas, scrofula and every form of blood-disease. It's called a consumption-cure but even consumption, which has its roots in the blood—is driven out by the "Golden Medical Discovery" if taken in time. The "Discovery" is the prescription of one of the most eminent physicians and medical writers in this country.
